Do you wanna be on what I feel?

It looks so easy  
It's not that easy  
It should be simple but have you ever tried  
Stay above water  
Get in the water  
Drink it and breathe at the same time

Take your shirt  
Roll up your sleeve  
Tap on your vein  
Prepare to dream

Swimming in and out of space, dyscrasia  
Swimming in and out of space, dyscrasia

Do you wanna be on what I feel?  
I wanna be on what I feel?

It looks so easy  
It's not that easy  
It should be simple but put away your pride  
Hit fast forward  
The edge is shorter  
Scream and make sure you keep it quiet

Feed real into your eyes  
And drain the way that makes you cry

Swimming in and out of space, dyscrasia  
Swimming in and out of space, dyscrasia

Do you want to be  
Do you want to be

Do you wanna be on what I feel?  
Do you wanna be on what I feel?

Do you want to be one  
Do you wanna be on what I feel?  
Do you want to be one

Do you wanna be on what I feel?  
Do you want to be one  
Do you wanna be on what I feel?

Do you wanna be on what I feel?

Swimming in and out of space, dyscrasia  
Swimming in and out of space, dyscrasia

Do you want to be  
Do you want to be on what I feel?  
Do you want to be  
Do you want to be on what I feel?

That you're alone and you lost in the forest and no  
one's giving you the fucking map and where the hell  
are you. Accept that, you can't go back because you will  
be doing something karmically and just have to go  
forward.
