Jude's her name,
She wears a sign
Says, 'In the morning's not the way you feel like you did
the night you cried'
So I say, 'Sleep it off, babe! '
She knows what she's talking about above all the
clouds
And the reasons for what she says

She says, 'Hello, hello. Is anybody home?
Hello, hello. Or did you sell your soul?
Hello, hello.
I thought you wanted to Be somebody, then be
somebody'.

Jude sees
The clothes you made
All the stitches and you bitchin' 'bout the things that
didn't go your way
So I say, 'Take 'em off, babe! '
You know,
Why are you holding on to the pain?
So you can fuck it all up again?

She says, 'Hello, hello. Is anybody home?
Hello, hello. Or did you sell your soul?
Hello, hello.
I thought you wanted to be somebody, then be
somebody'.

What's the trip that you went on?
I thought you wanted to be somebody
(Hello, hello)
Before you know it, it's all gone
I thought you wanted to be somebody
(Hello, hello)

Why you holding on to the pain?
Why you holding on to the pain?
Why you holding on to the pain?
(Why you holding on to the pain?)

Why you holding on to the pain?
(No)

She says, 'Hello, hello. Is anybody home?
Hello, hello. Or did you sell your soul?
Pick it up and go
(Is anybody home?)
Quit your bitch and moan
(Or did you sell your soul?)
It's all you've done
I thought you wanted to be somebody, then be
somebody'.
