(pound the love outta me, beat the love outta me)
(pound the love outta me, beat the love outta me)

Distant son, nova fucker
Hit and run to another
Took from you, from me
Lash and caress in between
(Hit the target) won an animal
Got a piece, a trace, a slip inside
Tore a page from the bind

Handed a twisted sadistic
Wanted you to fix it
Chant, cry, moan, lie
Tender garden bang to dry

Pound the love outta me, beat the love outta me
Pound the love outta me!

Best I can do, pleasure/pain
Too close to you, I'll blow your ash away
Took from you, from me
Brutally

Pound the love outta me, beat the love outta me
Pound the love outta me, beat the love outta me

Pound the love outta me, beat the love outta me
[catch me if you can, butter a scent on your hand]
Pound the love outta me beat the love outta me
[catch me if you can, butter a scent on your hand]

wigs, whips, chains tied
you laughed, I cried

[wanted you to fix it]
[chant, cry, moan, lie]

[beat the love outta me]

x7(on 5th join bottom line with this)Pound the love outta
