I love the way you call it art
When you never even use your heart
And I just wanna tear you apart

I love the way you call it art
When you never even use your heart
And I just wanna tear you apart

Woah [x6]

Well I keep singing [x3]

I love the way you call it art
When you never even use your heart
And I just wanna tear you apart

I love the way you call it art
When you never even use your heart
And I just wanna tear you apart

This is not the way we came to play around [x2]
