I feel your body shaking
Lying next to mine
Could be the devil talking
Could be the holy wine
Says we can do whatever
Says we can lead the blind
Cause the closest to alive youâ€™™ ll feel this side of
death
Is knowing that you tried
Weâ€™™ re screaming at the moon together
And tonight weâ€™™ re gonna live forever
Cause the diamond days
Fade away
And weâ€™™ re gonna run away
Tonight weâ€™™ re gonna live forever
I hear the darkness calling
On the edge of town
Weâ€™™ d better go on walking
If the car breaks down
We go down together
Cause what is yours is mine
The closest to alive weâ€™™ ll feel this side of death
Is knowing that we tried
Weâ€™™ re screaming at the moon together
And tonight weâ€™™ re gonna live forever
Cause the diamond days
Fade away
And weâ€™™ re gonna run away
Tonight weâ€™™ re gonna live forever
