Lady your maybes,  
You know they drive me crazy,  
So baby just come clean, if your cheating on me.

Never ever will i fall,  
I don't think so no no,  
I don't think so.

Sunshine, My sunshine,  
Made pretty eyes into fine lines,  
If the shoe don't fit right,  
Call my surgeon he's my life.

Hey operator have you got something for me,  
Hey equator your a belt fit for a queen,  
Adjudicator please have mercy on me,  
I'll see you later if you know what i mean.

Never ever will i fall,  
I don't think so no no,  
I don't think so.

Cheap wine in daytime,

You bend books to break spines,  
And if the shoe don't fit right,  
Trust my surgeon with your life.

Hey operator have you got something for me,  
Mr Dictator how you throw the best parties,  
Trusted the traitor whos an oscar nominee,  
I'll see you later if you know what i mean.

Never ever will i fall,  
I don't think so no no,  
I don't think so.  
And everyody goes around in circle,  
Everybody goes,  
Never ever will i fall, will i fall, will i fall,  
I don't think so no no,  
I don't think so no no,  
I don't think so no no,

I don't think so
