Love,
is it all that you want.
is it everything you hope for.
Love,
is it more than the word that you when look at her.

chorus

Love,
it will push you around.
it will make you a poor man.
change your picture of heaven, heaven.
love,
it will make you a man.
it will make you a child again.

Love,
does it keep you awake.
does it change everything you see.
Love,
is it worth what you give.
is it everything you need.

chorus

Love,
is it all that you want.
is it everything you've worked for.
Love,
is it wearing you down...love.
