Love, is it all that you want.
Is it everything you hope for.
Love, is it more than the word that you use when you
look at her.
Love, it will push you around.
It will make you a poor man.
Change your picture of heaven, heaven.
Love, it will make you a man.
It will make you a child again.
Love, does it keep you awake.
Does it change everything you see.
Love, is it worth what you give.
Is it everything you need.
Love. Love, is it all that you want.
Is it everything you've worked for.
Love, is it wearing you down...love.
