\*chorus\*

Yesterday,  
befriends anger with words to say,  
don't let those dying ships sail away.  
promise me you'll never sa ydie.

whispers in the wind carry messages to lovers far,  
tales of lost romance and of that missed chance and  
fleeting hearts

\*chorus\*

ashes in the cand bury witnesses of broken hearts.  
scars of lone memories and of those crushed dreams  
and open arms.

\*chorus\*

love songs and tidal waves have washed me away.
