"Sad And Guilty Ways"

This is my final resting place,
I'm never gonna let my hands wander free
This will be my unchanging phase
You're never gonna see my sad and guilty ways again
Time and time I find
That my words will never reach you if I can't seem to
meet you
And I hope that you don't mind
But this happy ending is now descending, I apologize
for the last time
I'm standing by my eternal grave,
Listening to myself stumble through this eulogy
I've laid to rest all of my mistakes
You're never gonna see my sad and guilty ways again
