"Scars That Save"

Over and over your blood covers me.
How many times will it take me to see.
I am so dangerous.
I am so irresponsible.
Here I am, broken again, but then you show me,
You're wearing the scars that save.
How can you see me, as something so lovely.
Cause it's killing me that i am to blame.
Over and over it falls back to me.
My knees hit the floor and it's easy to see.
I am so arrogant.
I feel so unforgivable.
This is my same old song.
The one where I do it all wrong.
And I will try (fight) with all that I am to get it right in the
end.
