Talk to me
'Cause I need an answer, I need an answer
Carry me
'Cause I need an answer, I need an answer

Torture me
Forever wrong and on and on
'Cause I know what you ought to know

Stop wishing for the sunshine
(Whoa)
Start living in the rain
(Whoa)

Stop telling me we'll be fine
(Whoa)
Start living with the pain

Stop wishing for the sunshine
(Whoa)
Start living in the rain
(Whoa)

Stop telling me we'll be fine
(Whoa)
Start living with the pain

Talk at me
This is a problem, this is a problem
You and me
We never solve them, we never solve them

Honestly
Can't soldier on like nothing's wrong
These secrets, they won't keep for long

Stop wishing for the sunshine
(Whoa)
Start living in the rain
(Whoa)

Stop telling me we'll be fine

(Whoa)
Start living with the pain

Stop wishing for the sunshine
(Whoa)
Start living in the rain
(Whoa)

Stop telling me we'll be fine
(Whoa)
Start living with the pain

Long live me 'cause I'll be fine without you
Without you
Long live me 'cause I'll be fine without you
Without you

Stop wishing for the sunshine
(Whoa)
Start living in the rain
(Whoa)

Stop telling me we'll be fine
(Whoa)
Start living with the pain

Stop wishing for the sunshine
(Whoa)
Start living in the rain
(Whoa)

Stop telling me we'll be fine
(Whoa)
Start living with the pain

Long live me 'cause I'll be fine without you
Without you
Long live me 'cause I'll be fine without you
Without you

Long live me 'cause I'll be fine without you
Without you
Long live me 'cause I'll be fine without you
Without you
