[Chorus]

I don't want another pretty face
I don't want just anyone to hold
I don't want my love to go to waste
I want you and your beautiful soul
You're the one I wanna chase
You're the one I wanna hold
I won't let another minute go to waste
I want you and your beautiful soul

I know that you are something special
To you I'd be always faithful
I want to be what you always needed
Then I hope you'll see the heart in me

I don't want another pretty face
I don't want just anyone to hold
I don't want my love to go to waste
I want you and your beautiful soul
You're the one I wanna chase
You're the one I wanna hold
I won't let another minute go to waste
I want you and your beautiful soul

Your beautiful soul, yeah
You might need time to think it over
But I'm just fine moving forward
I'll ease your mind
If you give me the chance
I will never make you cry c'mon let's try

I don't want another pretty face
I don't want just anyone to hold
I don't want my love to go to waste
I want you and your beautiful soul
You're the one I wanna chase
You're the one I wanna hold
I won't let another minute go to waste
I want you and your beautiful soul

Am I crazy for wanting you

Baby do you think you could want me too
I don't wanna waste your time
Do you see things the way I do
I just wanna know if you feel it too
There is nothing left to hide

I don't want another pretty face
I don't want just anyone to hold
I don't want my love to go to waste
I want you and your beautiful soul
You're the one I wanna chase
You're the one I wanna hold
I won't let another minute go to waste
I want you and your beautiful soul

You beautiful soul, yeah
