Grew up in a small town,
And when the rain would fall down,
I'd just stare out my window.
Dreaming of what could be,
And if I'd end up happy,
I would pray.

Try not to reach out,
But when I tried to speak out,
Felt like no-one could hear me.
Wanted to belong here,
But something felt so wrong here.
So I'd pray,
I could break away.

I'll spread my wings and I'll learn how to fly,
I'll do what it takes till I touch the sky,
And I'll make a wish, take a chance,
Make a change, and break away.
Out of the darkness and into the sun,
But I won't forget all the ones that I love.
I'll take a risk, take a chance,
Make a change, and break away.

Wanna feel the warm breeze,
Sleep under a palm tree,
Feel the rush of the ocean,
Get onboard a fast train,
Travel on a jetplane,
Fall away, and break away.

I'll spread my wings and I'll learn how to fly,
I'll do what it takes till I touch the sky,
Gotta make a wish, take a chance,
Make a change, and break away.
Out of the darkness and into the sun,
I won't forget all the ones that I love.
I've gotta take a risk, take a chance,
Make a change, and break away.

Building with a 100 floors,

Swinging with revolving doors,
Maybe I don't know where they'll take me.
But I gotta keep moving on moving on,
Fly away, break away.

I'll spread my wings and I'll learn how to fly,
Tho it's not easy to tell you goodbye.
Gotta take a risk, take a chance,
Make a change, and break away.
Out of the darkness and into the sun,
But I won't forget the place I come from.
I've gotta take a risk, take a chance,
Make a change, and break away.

Break away, break away
