Our relationship was fine
But it went over the line
When I saw you with a girlie
She let her hair go curly
How was I to know she was your sister?
And I'm sorry that I dissed her
But I got mad
And the rest was sad
We broke up
Last week I never woke up

Bridge

I'm sorry that I wanted to break up
I'm sorry 'cause I can't seem to wake up
I'm sorry that I was ever lying
I'm sorry 'cause I'm always crying

Chorus

Do you want me back?
For ever and ever?
Do you want me back?
In this terrible weather?
Do you want me back?
If our relationship was better?

Now I can't sleep at night
Why did you leave without a fight?
Are you still in bed?
As it's twelve, I already said
You left, without a kiss
Now I got the chance, I gotta say this:
Since we broke up, last week
People say that I'm a freak
Is there a place we could meet?
At the caf?, getting something to eat?

Repeat bridge and chorus

I thought I'd be alone forever

But now weâ€™re back together
We met in the caf?
We both got a latte
We made up
Now I can wake up
Now our relationship is fine
Itâ€™s right on the line
I wanted you back
You wanted me back, ooh

Repeat bridge and chorus
