Pass you in the hall
Try to catch your smile
Don't you know you're all
I need for a while?

You make me want to change
You make me want to speak
Tell you how I feel
You're the one I seek

Chorus

Don't you know it's you?
Can't you hear the truth?
Don't you know it's you?
Can't I offer proof?

You like another girl
You went on a date
She let her hair curl
She is your best mate

How I long for your kiss
To hold on to your arm
Though it is only a wish
I know you come from Larne

Repeat chorus

You may not know it
But I think I try
Too hard to show it
That ain't wise

Saw you at the caf?
Ordering a drink
You bought me a latte
And it helped me to think

Repeat chorus three times

Donâ€™t you know?
Donâ€™t you know?
