Circling your
Circling your
Circling your head, contemplating everything you ever
said
Now I see the truth, I got a doubt
A different motive in your eyes and now I'm out, see
you later

I see your fantasy, you wanna make it a reality paved in
gold
See inside, inside of our heads, yeah, well now that's
over
I see your motives inside, decisions to hide

Back off I'll take you on
Headstrong will take on anyone
I know that you are wrong
Headstrong, we're headstrong
Back off I'll take you on
Headstrong to take on anyone
I know that you are wrong
If this is not where you belong

I can't give everything away, I won't give everything
away

Conclusions manifest, your first impressions got to be
your very best
I see your full of sh..... and that's alright
That's how you play, I guess you get through every
night
Well now that's over

I see your fantasy, you wanna make it a reality paved in
gold
See inside, inside of our heads, yeah, well now that's
over
I see your motives inside, decisions to hide

Back off I'll take you on
Headstrong will take on anyone

I know that you are wrong
Headstrong, we're headstrong
Back off I'll take you on
Headstrong to take on anyone
I know that you are wrong
If this is not where you belong

I can't give everything away(this is not where you
belong)
I won't give everything away

I know, I know all about
I know, I know all about
I know, I know all about
I know, I know all about your motives inside, and your
decision to hide

Back off I'll take you on
Headstrong to take on anyone
I know that you are wrong
Headstrong, we're headstrong
Back off I'll take you on
Headstrong to take on anyone
I know that you are wrong
If this is not where you belong

I can't give everything away
I won't give everything away(this is not where you
belong)
