### "I"

I've just got to send a  
Message to your brain  
Telling you that

Chorus

I'm not your average girl  
I'm way above higher  
If you think I'm the worst  
You are so wrong  
Go home  
Look in the mirror  
And the person you see  
Is the worst one, not me

So of course you go home  
Look in your stupid mirror  
And you see yourself  
You look at me and say "well obviously"  
And you tell me to look in the mirror  
So I do, I see myself  
With a sign that says "the best"  
Then I walk away from you

Repeat chorus twice

I'm not your average girl (It's true)  
Yeah, yeah  
You're a loser (so true)  
So please stop turnin' me down

Repeat

"Cause I'm not your average girl  
"Cause I'm way above higher  
If you think I'm the worst  
Just look in the mirror  
And you'll see the worst

Repeat chorus twice

Iâ€™m not your average girl
