Head under water
And they tell me to breathe easy for a while
Breathing gets harder, even I know that
Made room for me it's too soon to see
If I'm happy in your hands
I'm unusually hard to hold on to

Blank stares at blank pages
No easy way to say this
You mean well, but you make this hard on me

I'm not gonna write you a love song
'Cause you asked for it
'Cause you need one, you see
I'm not gonna write you a love song
'Cause you tell me it's
Make or breaking this
If you're on your way
I'm not gonna write you to stay
If all you have is leaving I'm gonna need a better
Reason to write you a love song today, today yeah

I learned the hard way
That they all say things you wanna hear
And my heavy heart sinks deep down under you and
Your twisted words,
Your help just hurts
You are not what I thought you were
Hello to high and dry

Convinced me to please you
Made me think that I need this too
I'm trying to let you hear me as I am

I'm not gonna write you a love song
'Cause you asked for it
'Cause you need one, you see
I'm not gonna write you a love song
'Cause you tell me it's
Make or breaking this
If you're on your way

I'm not gonna write you to stay
If all you have is leaving I'm gonna need a better
Reason to write you a love song today

Promise me that you'll leave the light on
To help me see, with daylight my guide gone
Cause I believe there's a way
You can love me because I said
I won't write you a love song
'Cause you asked for it
'Cause you need one, you see

I'm not gonna write you a love song
'Cause you tell me it's make or breaking this

Is that why you wanted a love song
'Cause you asked for it
'Cause you need one, you see
I'm not gonna write you a love song
'Cause you tell me it's make or breaking this
If you're on your way
I'm not gonna write you to stay
If your heart is nowhere in it
I don't want it for a minute
Babe, I'll walk the seven seas when I believe that
There's a reason to
Write you a love song today todayyy yeah yeah yeah
