There's always that one person  
That will always have your heart  
You never see it coming  
'Cause you're blinded from the start

Know that you're that one for me  
It's clear for everyone to see  
Ooh baby, you will always be my boo

I don't know about y'all but I know about us and uh  
It's the only way we know how to rock  
I don't know about y'all but I know about us and uh  
It's the only way we know how to rock

Do you remember, girl, I was the one that gave you  
your first kiss?  
'Cause I remember, girl, I was the one who said, "Put  
your lips like this"  
Even before all the fame and people screamin' your  
name  
Girl, I was there and you were my baby

It started when we were younger, you were mine  
(My boo)  
Now, another brother's taken over but it's still in your  
eyes  
(My boo)

Even though we used to argue, it's alright  
(My boo)  
I know we haven't seen each other in a while  
But you will always be my boo

I was in love with you when we were younger, you were  
mine  
(My boo)  
When I see you from time to time I still feel like  
(My boo that's my baby)

You can see it no matter how I try to hide  
(My boo, I can't hide it)

And even though there's another man who's in my life  
You will always be my boo

Yes, I remember, boy 'cause after we kissed  
I can only think about your lips  
Yes, I remember, boy, the moment I knew  
You were the one I could spend my life with  
Even before all the fame and people screamin' your  
name  
I was there and you were my baby

It started when we were younger you were mine  
(My boo, you were mine)  
Now, another brother's taken over but it's still in your  
eyes  
(My boo, yes, it is)

Even though we use to argue it's all right  
(My boo, it's alright, it's okay)  
I know we haven't seen each other in a while  
But you will always be my boo

I was in love with you when we were younger, you were  
mine  
(You were my boo, my boo)  
When I see you from time to time I still feel like  
(My boo)

You can see it, no matter how I try to hide  
(My boo, it's alright now, it's okay)  
And even though there's another man who's in my life  
(What we have is in each other)  
You will always be my boo

My, oh my, oh my, oh my, oh, my boo  
My, oh my, oh my, oh my, oh, my boo

It started when we were younger, you were mine  
(You were mine, my boo)  
Now another brother's taken over but it's still in your  
eyes  
(My boo, you and I)

Even though we use to argue it's alright  
(My boo, it's alright, it's okay)  
I know we haven't seen each other in a while  
But you will always be my boo

I don't know about y'all but I know about us and uh  
It's the only way we know how to rock  
I don't know about y'all but I know about us and uh
