"Should I"

Last Saturday, in my garden
You turned away, looked far-down
And I guess you found it funny
When I said "hello honey"
And I know that you've been stole
And I know my heart used to be whole

Chorus

Should I not just give up?
All you drink is 7up
You're too weird for my time
I think it's time to draw the line
Somebody saw
You on another date
And I've got proof because
They said the words I hate
Should I leave?

There's even a rumor going round school
You believed it you silly fool
They said I'm madly in love
And I'm sent from above
And I know it isn't true
And I know that the sky is blue

Repeat chorus

Ooh ooh ooh oh oh
And I know that you try
To get me on a date
And I know that you like it
But you can't get me now
I'm over you
Ooh ooh ooh oh oh
(Should I)
Ooh ooh ooh oh oh

Repeat chorus

Ooh ooh ooh oh oh

Should I
Ooh ooh ooh oh oh
Should I
