Summer right before school when we first met  
We'd listen every day to radio head  
And when it was my birthday you bought me some  
balloons  
Used to eat your favorite ice cream and hang by the  
pool, talk about our  
Future like we had a clue  
Never planned on one day I'd be losing you

In another life I would be your girl  
We'd keep all our promises  
Be us against the world  
In another life I would make you stay  
So I don't have to say you were the one that got away  
The one that got away

I was June and you were my Johnny Cash, never one  
without the other we made  
A pact  
Sometimes when I miss you I put those records on

Someone said you had your heart break removed  
Saw you downtown singing the blues  
It's time to face the music I'm no longer your muse

In another life I would be your girl  
We'd keep all our promises be us against the world  
In another life I would make you stay

So I don't have to say you were the one that got away

The one that got away  
The one  
The one  
The one  
The one that got away

All this money can't buy me a time machine  
Can't replace you with a million rings  
I should have told you what you meant to me  
But now I've paid the price

In another life I would be your girl  
We'd keep all our promises  
Be us against the world

In another life I would make you stay  
The one that got away

The one  
The one  
The one

The one that got away
