Insania! insania!
Ooooohhh,
Let's go
We're gonna make this party!
Gonna make this party!
Go insania! (Insania! insania!)

Then we walk in the room
There's the DJ
There's the dancefloor
Let's go!

Chorus

This party's gonna be!
This party's gonna be!
Insania! insania!
Oh yeah
~Cause girls ask your boys
Make them dance
~Cause this party's gonna be insania
Before you know it
You'll be dancing to the music
That we'll be playing

Girls! with your boys
Get on the dancefloor
Let's dance!
(Insania, insania)
Ooooooh yeah
I can't believe it
Can't you see it?
Girls! get your make up on
Get your boys to dance! now!

Repeat chorus twice

This party's s! s!
This party's s!
Insania! insania
Oh yeah

â€˜Cause you girls asked your boys
You made them dance
â€˜Cause this partyâ€™s insania
Before you knew it
You were dancing to the music
That weâ€™re playing

Repeat chorus twice
