### "Apart Of You"

Ah, let me be a part of you  
Ah, let me be a part of you  
Ah, let me be a part of you

I saw it all the perfect time  
And now you're walking through my mind

Ah, let me be a part of you  
Ah, let me be a part of you

I saw the future in your eyes  
We watched a thousand worlds collide  
This is the only place I know  
So many ways that this could go

Ah, let me be a part of you  
Ah, let me be a part of you

[Instrumental]

Ah, let me be a part of you  
Ah, let me be a part of you  
Ah, let me be a part of you  
Ah, let me be a part of you
