It's hard to say why we don't get along
I heard what you said, I thought we were friends
It's getting dark when we pull this apart
Will we ever learn, it twists and it turns

Time won't heal for us, words cut deep
Ooh, whoa, whoa
Voices in the dark, let me be
Ooh, whoa, whoa

[Chorus]
Bad talking
Talking about bad talking
Pulling me down, bad talking
Getting around bad talking
Oh yeah, it's bad talk

I bite my tongue, let it bleed on my gum
I heard what you said, will it ever mend
I let it slip, feel the crack of the whip
I'm taking it back, I'm feeling too bad

Time won't heal for us, words cut deep
Ooh, whoa, whoa
Voices in the dark, let me be
Ooh, whoa, whoa

[Chorus]
Bad talking
Talking about bad talking
Pulling me down, bad talking
Getting around bad talking
Oh yeah, it's bad talk

Say what you said
These bad words are slowly tearing us apart
Don't take it back
These bad words are slowly tearing us apart
Words are slowly tearing us apart

Bad talking

Talking about bad talking
Oh yeah, it's bad talk

[Chorus]
Bad talking
Talking about bad talking
Pulling me down, bad talking
Getting around bad talking
Oh yeah, it's bad talk

Bad talking
Oh yeah, it's bad talk
Bad talking
Oh yeah, it's bad talk
