"Cotton Mouth"

I'm pretending all the time
I know I'm not so easy on the eyes
But my words, my name, my light
Keeps them up all night

You put us up there in lights
I know the heat, it burns my skin so white
But my shins, my knees, my lies
Keep them up all night

[Chorus]
So wake me up when my time is done
Because you know that I'm not the one
And give me all that you've got to waste on me
All your love, all your love

I've been cheating all the time
My cotton mouth looks like a pantomime
And I'm working overtime
Got me up all night

And I'm pretending all the time
I know I'm not so easy on the eyes
But my words, my name, my light
Keeps them up all night

[Chorus]
So wake me up when my time is done
Because you know that I'm not the one
And give me all that you've got to waste on me
All your love, all your love

[Chorus]
So wake me up when my time is done
Because you know that I'm not the one
And give me all that you've got to waste on me
All your love, all your love

[Instrumental]

I'm pretending all the time

I know I'm not so easy on the eyes
But my words, my name, my light
Keeps them up all night

[Chorus]

So wake me up when my time is done
Because you know that I'm not the one
And give me all that you've got to waste on me
All your love, all your love
