[Chorus]

We're getting dressed up from the waist down
If you ain't got no money, I can show you how
We're going down, baby
Going downtown, baby, tonight

There's something going on
Something wrong, don't leave it too long
I gotta let you know, don't you let it grow
Baby, it's been a while
But I can tell you got more style than you show
You're so smooth and now I'm gonna give it to ya

I'll show you the ways what you gotta know
I'll show you the ways what you need
I'll show you the ways what you gotta know
I'll show you the way

[Chorus]

We're getting dressed up from the waist down
If you ain't got no money, I can show you how
We're going down, baby
Going downtown, baby, tonight, hey

You got what you need now
To get what you please now
I gotta let you know, don't you let it grow
Baby, we've got all night
And you can tell me what you like 'cause you know
You're so smooth and now I'm gonna give it to ya

I'll show you the ways what you gotta know
I'll show you the ways what you need
I'll show you the ways what you gotta know
I'll show you the way

[Chorus]

We're getting dressed up from the waist down
If you ain't got no money, I can show you how
We're going down, baby
Going downtown, baby, tonight, hey

[Chorus]

We're getting dressed up from the waist down
If you ain't got no money, I can show you how
We're going down, baby
Going downtown, baby, tonight, hey

[Instrumental]
