I won't hold this back  
It tastes so good  
and feels so right.

I won't hold this back  
It tastes so good  
and feels so right.

I won't hold this back  
It tastes so good  
and feels so right.

We'll take a trip to ever where we may go,  
Feel the warmth of the sun and taste the snow,  
Close your eyes cause you know it feels so right,  
feels so right.

Never been to a place like this before,  
Got the world in an ounce but I want more,  
Close your eyes cause you know it shines so bright,  
shines so bright.

I won't hold this back  
It tastes so good  
and feels so right.

I won't hold this back  
It tastes so good  
and feels so right.

Tellin' me tellin' me why it feels so right,  
Tellin' me tellin' me why it feels so right,  
you and me sail away tonight,  
floating on ribbons of light.

Tellin' me tellin' me why it feels so right,  
Tellin' me tellin' me why it feels so right,  
you and me sail away tonight,  
floating on ribbons of light.

Tellin' me tellin' me why it feels so right,  
Tellin' me tellin' me why it feels so right,

you and me sail away tonight,  
floating on ribbons of light.

Tellin' me tellin' me why it feels so right,  
Tellin' me tellin' me why it feels so right,  
you and me sail away tonight,  
floating on ribbons of light.
