I've just got to send a
Message to your brain
Telling you that

Chorus

I'm not your average girl
I'm way above higher
If you think I'm the worst
You are so wrong
Go home
Look in the mirror
And the person you see
Is the worst one, not me

So of course you go home
Look in your stupid mirror
And you see yourself
You look at me and say 'well obviously'
And you tell me to look in the mirror
So I do, I see myself
With a sign that says 'the best'
Then I walk away from you

Repeat chorus twice

I'm not your average girl (It's true)
Yeah, yeah
You're a loser (so true)
So please stop turnin' me down

Repeat

'Cause I'm not your average girl
'Cause I'm way above higher
If you think I'm the worst
Just look in the mirror
And you'll see the worst

Repeat chorus twice

I'm not your average girl
