Why am I all alone?
I don't wanna be
But I have to
You were supposed to walk me home
'Cause you aren't

Chorus

I'm walking home from School
But I thought you
Were supposed to walk with me
'Cause I'm Walking home from School
On my own
But I should be with you
I'm walking home from School
But I thought you
Were supposed to walk with me
'Cause I'm Walking home from School
On my own
But I should be with you
'Cause I shouldn't be on my own
Freezing here without you
I got on my coat, my hat,
Gloves and scarf
But I'm still freezing
I can't stand it
I'm walking home from School

I need you to be comforted
You didn't even wait for me
You went home on your own
Why don't you just have me?
I don't know
And you just need to
Walk me home from School

Repeat chorus

I'm walking home
Walking home from School
I'm walking home
Walking home from School

I'm walking home
Walking home from School
All on my own
Without you

Repeat chorus twice
