Oh, yeah

There go the street lights, the night's officially on
I got the green light to do whatever I want
Gonna stand outside the box
And put the rules on hold tonight

Carte Blanche, first class for the evening
Ready, set, go

All the girls stepping out for a public affair
All night, that's right 'cause the party don't stop
All the cameras come out for a public affair
Who cares, let's rock 'cause the party don't stop

Hey baby
I see you looking over here baby
Are you gonna keep looking or get up and talk to me?
'Cause here's an opportunity that you don't wanna miss
tonight

Got the plans, first class for the evening
Ready, set, go

All the girls stepping out for a public affair
All night, that's right 'cause the party don't stop
All the cameras come out for a public affair
Who cares, let's rock 'cause the party don't stop

Do what you wanna do
Tonight the world does not exist, oh, no, no
Move how you wanna move, all my girls work it out like
this
Give me room to shake, shake, shake

All the girls stepping out for a public affair
All night, that's right 'cause the party don't stop
All the cameras come out for a public affair
Who cares, let's rock 'cause the party don't stop

All the girls stepping out for a public affair
All night, that's right 'cause the party don't stop

All the cameras come out for a public affair
Who cares, let's rock 'cause the party don't stop

All night, don't stop
Who cares, let's rock
All night, don't stop
Who cares, let's rock
Oh, oh, oh, oh

All the girls stepping out for a public affair
All night, that's right 'cause the party don't stop
All the cameras come out for a public affair
Who cares, let's rock 'cause the party don't stop
