So she said what's the problem, baby? What's the problem I don't know Well, maybe I'm in love Think about it every time, I think about it Can't stop thinkin' 'bout it

How much longer will it take to cure this? Just to cure it 'cause I can't ignore it if it's love Makes me wanna turn around and face me But I don't know nothin' about love

Come on, come on, turn a little faster Come on, come on, the world will follow after Come on, come on, 'cause everybody's after love

So I said I'm a snowball runnin' Runnin' down into the spring that's comin' all this love Meltin' under blue skies Beltin' out sunlight shimmering love

Well, baby, I surrender to the strawberry ice cream Never ever end of all this love, well, I didn't mean to do it

But there's no escapin' your love, these lines of lightning

Mean we're never alone, never alone, no, no

Come on, come on, move a little closer Come on, come on, I wanna hear you whisper Come on, come on, settle down inside my love

Come on, come on, jump a little higher Come on, come on, if you feel a little lighter Come on, come on, we were once upon a time in love

We're accidentally in love
Accidentally in love, accidentally

I'm in love, I'm in love, I'm in love, I'm in love

I'm in love, I'm in love, accidentally in love I'm in love, I'm in love, I'm in love I'm in love, I'm in love, accidentally in love

Come on, come on, spin a little tighter Come on, come on and the world's a little brighter Come on, come on, just get yourself inside her Love, I'm in love
