All the right friends in all the right places
So yeah, we're going down
They got all the right moves and all the right faces
So yeah, we're going down
Let's paint the picture of the perfect place
They've got it better than when anyone's told ya
They'll be the king of hearts and you're the queen of
spades
Then we'll fight for you like we were your soldiers
I know we got it good but they got it made
And the grass is getting greener each day
I know things are looking up but soon they'll take us
down
Before anybody's knowing our name
They got all the right friends in all the right places
So yeah, we're going down
They got all the right moves and all the right faces
So yeah, we're going down
They say everybody knows, everybody knows
Where we're going, yeah, we're going down
They say everybody knows, everybody knows
Where we're going, yeah, we're going down
Do you think I'm special, do you think I'm nice?
Am I bright enough to shine in your spaces?
Between the noise you hear and the sound you like
Are we just sinking in the ocean of faces?
It can't be possible that rain can fall
Only when it's over our heads
The sun is shining every day but it's far away
Over the world that's lead
They got all the right friends in all the right places
So yeah, we're going down
They got all the right moves and all the right faces
So yeah, we're going down
They say everybody knows, everybody knows
Where we're going, yeah, we're going down
They say everybody knows, everybody knows
Where we're going, yeah, we're going down
It don't matter what you see, I know I could never be
Someone that will look like you
It don't matter what you say, I know I could never fake
Someone that could sound like you

All the right friends in all the right places
So yeah, we're going down
They got all the right moves and all the right faces
So yeah, we're going down
They say everybody knows, everybody knows
Where we're going, so yeah, we're going down
They say everybody knows, everybody knows
Where we're going, yeah, we're going down
They say all the right moves, hey
Yeah, we're going down
All the right moves, hey
Yeah, we're going down
