I wanted to be like you, I wanted everything  
So I tried to be like you and I got swept away

I didn't know that it was so cold and  
You needed someone to show you the way  
So, I took your hand, we figured out that  
When the tide comes I'd take you away

If you want to, I can save you  
I can take you away from here  
So lonely inside, so busy out there  
And all you wanted was somebody who cares

I'm sinking slowly, so hurry hold me  
Your hand is all I have to keep me hanging on  
Please, can you tell me, so I can finally see  
Where you go when you're gone?

If you want to, I can save you  
I can take you away from here  
So lonely inside, so busy out there  
And all you wanted was somebody who cares

All you wanted was somebody who cares  
If you need me you know I'll be there  
Oh, oh, oh, yeah, yeah

If you want to, I can save you  
I can take you away from here  
(Take you away)  
So lonely inside, so busy out there  
And all you wanted was somebody who cares

If you want to, I can save you  
I can take you away from here  
(I can take you away)  
So lonely inside, so busy out there  
And all you wanted was somebody who cares

Please, can you tell me, so I can finally see  
Where you go when you're gone?
