I wanna be with you, gotta be with you
Need to be with you
I wanna be with you, gotta be with you
Need to be with you, hey

Chemistry was crazy from the get go
Neither one of us knew why
We didn't deal nothing overnight
'Cuz a love like this takes some time

People swore it off as a phase, said we can't see that
Now top to bottom, they see that we did that
Yes, it's so true that, yes, we've been through it
Yes, we got real, yeah, yes

See baby we've been too strong for too long
And I can't be without you baby
And I'll be waiting up until you get home
'Cuz I can't sleep without you baby

Anybody who's ever loved, you know just what I feel
Too hard to fake it, nothing can replace it
Call the radio if you just can't be without your baby

I got a question for ya, see I already know the answer
Still I wanna ask you, would you lie? No
Make me cry? No
Do somethin' behind my back and then try to cover it
up?

Well, neither would I, baby
My love is only your love
Yes, I'll be faithful, yes, I'm for real
Yes, and with us you'll always know the deal

We've been too strong for too long
And I can't be without you baby
And I'll be waiting up until you get home
'Cuz I can't sleep without you baby

Anybody who's ever loved, you know just what I feel
Too hard to fake it, nothing can replace it

Call the radio if you just can't be without your baby

See this is real talk
I'ma always stay, no matter what
Good or bad, right or wrong
All day every day

Now if you're down on love or don't believe
This ain't for you , no, this ain't for you
And if you got it deep in your heart
And deep down you know that it's true
Come on, come on, come on

Well, let me see you put your hands up
Boys say your girl, she's the one
Put your hands up
Look him right in his eyes and tell him

We've been too strong for too long
And I can't be without you baby
I'll be waiting up until you get home
'Cuz I can't sleep without you baby

If anybody who's ever loved, you know just what I feel
Too hard to fake it, nothing can replace it
Call the radio if you just can't be without your baby
Hey, ohh, hey oh

I wanna be with you, gotta be with you
Need to be with you
I wanna be with you, gotta be with you
Need to be with you

I wanna be with you, gotta be with you
Need to be with you
I wanna be with you, gotta be with you
Need to be with you
