It's been the longest winter without you
I didn't know where to turn to
See somehow I can't forget you
After all that we've been through

Going, coming, thought I heard a knock
Who's there? No one
Thinking that I deserve it
Now I realize that I really didn't know

If you didn't notice, you mean everything
Quickly I'm learning to love again
All I know is I'mma be okay

Thought I couldn't live without you
It's gonna hurt when it heals too
It'll all get better in time

Even though I really love you
I'm gonna smile 'cause I deserve to
It'll all get better in time

I couldn't turn on the TV
Without something there to remind me
Was it all that easy
To just put aside your feelings?

If I'm dreaming, don't wanna laugh
Hurt my feelings but that's the path
I'll believe in, and I know time will heal it

If you didn't notice, boy you mean everything
Quickly I'm learning to love again
All I know is I'mma be okay

Thought I couldn't live without you
It's gonna hurt when it heals too
It'll all get better in time

Even though I really love you
I'm gonna smile 'cause I deserve to
It'll all get better in time

Since there's no more you and me
It's time I let you go so I can be free
And live my life how it should be
No matter how hard it is I'll be fine without you
Yes, I will

Thought I couldn't live without you
It's gonna hurt when it heals too
It'll all get better in time

Even though I really love you
I'm gonna smile 'cause I deserve to
It'll all get better
