Closed off from love  
Didn't need the pain  
Once or twice was enough  
And it was all in vain  
Time starts pass  
Before you know it your frozen

But something happen  
For the very first time with you  
My heart melts into the ground  
Found something true  
And everyone looking 'round  
Thinking I'm going crazy

But I don't care what they say  
I'm in love with you  
You try to pull me away  
But they don't know the truth  
My hearts crippled by the vainthat I keep on closing

You cut me open and I  
Keep bleeding, keep keep beeding love  
I keep bleeding, I keep keep bleeding love  
Keep bleeding, keep keep bleeding love  
You cut me open

Trying hard not to hear  
But they talk so loud  
Piercing sounds fill my ears try to fill with doubt  
Yet I know that the goal is to keep me from falling

But nothing's greater  
Then the love that comes with your embrace  
And in this world of loneliness I see your face  
Yet everyone around me thinks that I'm going crazy  
Mabye, mabye

But I don't care what they say  
I'm in love with you  
You try to pull me away  
But they don't know the truth  
My hearts crippled by the vain

That I keep on closing

You cut me open and I  
Keep bleeding, keep keep beeding love  
I keep bleeding, I keep keep bleeding love  
Keep bleeding, keep keep bleeding love  
You cut me open

And it's draining all of me  
Oh, they find it hard to believe  
I'll be wearing these scars  
For everyone to see

But I don't care what they say  
I'm in love with you  
You try to pull me away  
But they don't know the truth  
My hearts crippled by the vain  
That I keep on closing

You cut me open and I  
Keep bleeding, keep keep beeding love  
I keep bleeding, I keep keep bleeding love  
Keep bleeding, keep keep bleeding love

You cut me open and I  
Keep bleeding, keep keep beeding love  
I keep bleeding, I keep keep bleeding love  
Keep bleeding, keep keep bleeding love

You cut me open and I  
Keep bleeding, keep keep bleeding love.
