I'm still alive but i'm barely breathing
Just praying to a thing that i don't believe in
'cause i got time while she got freedom
'cause when a heart breaks no it don't breakeven

Her best days will be some of my worst
She finally met a boy that's gonna put her first
While i'm wide awake she's no trouble sleeping
'cause when a heart breaks no it don't breakeven
Even no

What am i supposed to do
When the best part of me was always you and
What am i supposed to say
When i'm all choked up but you're okay?
I'm falling to pieces yeah
I'm falling to pieces

They say bad things happen for a reason
But no wise word's gonna stop the bleeding
'cause she's moved on while i'm still grieving
And when a heart breaks no it don't breakeven
Even no

What am i gonna to do
When the best part of me was always you and

What am i supposed to say
When i'm all choked up but you're okay?
I'm falling to pieces
I'm falling to pieces

Oh you got his heart and my heart and none of the pain
You took your suitcase i took the blame
Now i'm trying to make sense of what little remains
Oh 'cause you left me with no love no love to my name

I'm still alive but i'm barely breathing
Just praying to a thing that i don't believe in
'cause i got time while she got freedom
'cause when a heart breaks no it don't break
No it don't break no it don't breakeven

And what am i gonna to do
When the best part of me was always you and
What am i supposed to say
When i'm all choked up but you're okay?
I'm falling to pieces
I'm falling to pieces

Oh it don't breakeven no
Oh it don't breakeven no
