Will you count me in?

I've been awake for a while now
You've got me feelin' like a child now
'Cause every time I see your bubbly face
I get the tingles in a silly place

It start in my toes, and I crinkle my nose
Wherever it goes I always know
That you make me smile, please, stay for a while now
Just take your time, wherever you go

The rain is pourin' on my window pane
But we are hidin' in a safer place
Under covers, stayin' dry and warm
You give me feelings that I adore

It start in my toes, makes me crinkle my nose
Wherever it goes I always know
That you make me smile, please, stay for a while now
Just take your time, wherever you go

But what am I gonna say
When you make me feel this way
I just

It start in my toes, makes me crinkle my nose
Wherever it goes I always know
That you make me smile, please, stay for a while now
Just take your time, wherever you go

It start in my toes, makes me crinkle my nose
Wherever it goes I always know
That you make me smile, please, stay for a while now
Just take your time, wherever you go

I've been asleep for a while now
Tuck me in just like a child now
'Cause every time you hold me in your arms
I'm comfortable enough to feel your warmth

It starts in my soul and I lose all control

When you kiss my nose the feelin' shows
'Cause you make me smile
Baby, just take your time now, holdin' me tight

Wherever, wherever, wherever you go
Wherever, wherever, wherever you go
