Verse 1:

I threw a wish in the well. Don't ask me i'll never tell. I looked to you as it fell. And now your in my way. I trade my soul for a wish. Pennies and dimes for a kiss. I wasn't looking for this. And know your in my way. Your stare was holding. Ripped jeans smile was showing. Hot night wind was blowing. Where do you think you're going baby?

Chorus:

*Hey I just met you. And this is crazy! So here's my number. So call me maybe.** It's hard to look right. At you baby. So here's my number. So call me maybe. Hey I just met you. And this is crazy. So here's my number. So call me maybe. And all the other boys, tried to chase me. So here's my number, so call maybe.

Verse 2:

I took your time with your call. I took no time with the fall. You gave me nothing at all. But your in my way. I beg and borrow and steal. Half for sight and it's real. I didn't know I would feel it, but it's in my way. Your stare was holding. Ripped jeans smile was showing. Hot night wind was blowing. Where do you think you're going baby?

Chorus:

*

Bridge:

***Before you came into me life, I missed you so bad. I missed you so bad. I missed you so so bad. Before you came into my life I missed you so bad and you should know that. I missed you so so bad.

Chorus:

**

Bridge:

So call me maybe!
