We'll do it all, everything on our own
We don't need anything or anyone

If I lay here, if I just lay here
Would you lie with me and just forget the world?

I don't quite know how to say, how I feel
Those three words are said too much, they're not
enough

If I lay here, if I just lay here
Would you lie with me, and just forget the world?
Forget what we're told before we get too old
Show me a garden that's bursting into life

Let's waste time
Chasing cars around our heads

If I lay here, if I just lay here
Would you lie with me and just forget the world?
Forget what we're told before we get too old
Show me a garden that's bursting into life

All that I am, all that I ever was
Is here in your perfect eyes, they're all I can see
I don't know where, confused about how as well
Just know that these things will never change for us at
all

If I lay here, if I just lay here
Would you lie with me and just forget the world?
