If I could write you a song and make you fall in love,  
I would already have you up under my arm.  
I used up all of my tricks,  
I hope that you like this.  
But you probably wont, you think you're cooler than me.

You got designer shades just to hide your face.  
And you wear them around like, you're cooler than me.  
And you never say "hey" or remember my name.  
And its probably 'cause you think you're cooler than  
me.

You got your high brow,  
shoes on your feet.  
And you wear them around,  
like it ain't shit.

But you don't know,  
the way that you look,  
when your steps make that much noise.

Sh, see i got you,  
all figured out.  
you need everyone's eyes just to feel seen.  
Girl, your so vain,  
you probably think that this song is about you.  
Don't you?  
Don't you?

And its probably cause you think you're cooler than me.

You got your high brow,  
Switchin' in your walk.

And you don't even look when you pass by.  
But you don't know,  
the way that you look  
when your steps make that much noise.

Sh, see i got you,  
all figured out

Now don't you dare act like you don't know (don't  
know),  
know whats up (know what's up).  
'cause your nose is up.  
I'm approaching up (yup).

Like I can't give you winter in the summer,  
or summer in the winter,  
Miami in December,

Trying to look bored in them Diors.  
She probably is.  
Was acting shallow until  
she find out how deep that my pockets is.  
Mrs. Prima Donna,  
This is your reminder,  
that i think you're fine,  
but I'm finer.

'Cause it sure seems  
(Cause it sure seems)  
You got no doubt.  
(That you got no doubt)  
But we all see,  
(We all see)  
You got your head in the clouds.  
(Clouds)
