I remember when  
I remember, I remember when I lost my mind  
There was something so pleasant about that place  
Even your emotions have an echo in so much space

And when you're out there without care  
Yeah, I was out of touch  
But it wasn't because I didn't know  
enough  
I just knew too much

Does that make me crazy?  
Does that make me crazy?  
Does that make me crazy?  
Probably

And I hope that you are having the time of your life  
Well, think twice  
That's my only advice

Come on, now  
Who do you, who do you, who do you  
Who do you think you are?  
Ha ha ha, bless your soul  
You really think you're in control?

Well, I think you're crazy  
I think you're crazy  
Well I think you're crazy  
Just like me

My heroes had the heart  
To lose the life I don't wanna live  
And all I remember is thinking  
I wanna be just like them

Ever since I was little  
Ever since I was little it seemed like fun  
No consequence that I've come  
And I can die when I'm done

Well, maybe I'm crazy

Maybe I'm crazy  
Maybe we're crazy  
Probably

Probably  
Maybe I'm crazy
