It's gettin' late  
I'm making my way over to my favorite place  
I gotta get my body moving shake the stress away  
I wasn't looking for nobody when you looked my way

Possible candidate  
(Yeah)  
Who knew that you'd be up in here lookin' like you do  
You're makin' stayin' over here impossible  
Baby, I must say your aura is incredible  
If you don't have to go don't

Do you know what you started  
I just came here to party  
But now we're rockin' on the dance floor  
Acting naughty

Your hands around my waist  
Just let the music play  
We're hand in hand, chest to chest  
And now we're face to face

I wanna take you away  
Lets escape into the music  
DJ, let it play  
I just can't refuse it

Like the way you do this  
Keep on rockin' to it  
Please don't stop the  
Please don't stop the music

I wanna take you away  
Lets escape into the music  
DJ, let it play  
I just can't refuse it

Like the way you do this  
Keep on rockin' to it  
Please don't stop the  
Please don't stop the  
Please don't stop the music

Baby, are you ready 'cause it's getting close  
Don't you feel the passion ready to explode  
What goes on between us no one has to know  
This is a private show  
(Oh)

Do you know what you started  
I just came here to party  
But now we're rockin' on the dance floor  
Acting naughty

Your hands around my waist  
Just let the music play  
We're hand in hand, chest to chest  
And now we're face to face

I wanna take you away  
Let's escape into to music  
DJ, let it play  
I just can't refuse it

Like the way you do this  
Keep on rockin' to it  
Please don't stop the  
Please don't stop the music

I wanna take you away  
Lets escape into the music  
DJ, let it play  
I just can't refuse it

Keep on rockin' to it  
Please don't stop the
