Fire burning, Kidz Bop
Fire burning
Kidz Bop, let's go, hey, hey, hey
Hey, hey, hey

Shawty got that super dance
Hotter than the sun in the south in Spain
Got me soon as I walked through the door

My hips started wiggling
The way she dance around that girl
Got me wanna dance with her all night

She get it, pop it, lock it, drop it, that birthday cake
Got a candle, need to blow that crazy flame away
Now take my red, black card and my jewelry
Shawty is cool like the fire, cool like fire

Somebody call 911
Shawty fire burning on the dance floor, whoa
I gotta cool it down
She wanna bring the roof to ground on the dance floor,
whoa

She's fire burning, fire burning on the dance floor
That little shawty's fire burning on the dance floor
She's fire burning, fire burning on the dance floor
That little shawty's fire burning on the dance floor
Fire burning, fire burning

That move is a masterpiece
The order is one in every hundred years
But ain't no doubt, I'm dancing some more

I'm afraid we'll blow the chance
Little mama game is about to change
She'll be on covers over the world

She get it, pop it, lock it, drop it, that birthday cake
Got a candle, need to blow that crazy flame away
Now take my red, black card and my jewelry
Shawty is cool like the fire, cool like fire

Somebody call 911
Shawty fire burning on the dance floor, whoa
I gotta cool it down
She wanna bring the roof to ground on the dance floor,
whoa

She's fire burning, fire burning on the dance floor
That little shawty's fire burning on the dance floor
She's fire burning, fire burning on the dance floor
That little shawty's fire burning on the dance floor

She get it, pop it, lock it, drop it, that birthday cake
Got a candle, need to blow that crazy flame away
Now take my red, black card and my jewelry
Shawty is cool like the fire, cool like fire

Somebody call 911
Shawty fire burning on the dance floor, whoa
I gotta cool it down
She wanna bring the roof to ground on the dance floor,
whoa

She's fire burning, fire burning on the dance floor
That little shawty's fire burning on the dance floor
She's fire burning, fire burning on the dance floor
That little shawty's fire burning on the dance floor
Somebody call 911
