We're both looking for something
We've been afraid to find
It's easier to be broken, it's easier to hide

Looking at you, holding my breath
For once in my life I'm scared to death
I'm taking a chance, letting you inside

Feeling alive all over again
As deep as the sky under my skin
Like being in love, she says for the first time

Maybe I'm wrong but I'm feeling right
Where I belong with you tonight
Like being in love to feel for the first time

The world that I see inside you
Waiting to come alive
Waking me up to dreaming, reality in your eyes

Looking at you, holding my breath
For once in my life I'm scared to death
I'm taking a chance, letting you inside

I'm feeling alive all over again
As deep as the sky under my skin
Like being in love, she says for the first time

Maybe I'm wrong but I'm feeling right
Where I belong with you tonight
Like being in love to feel for the first time

We're crashing
Into the unknown
We're lost in this
But it feels like home

Feeling alive all over again
As deep as the sky under my skin
Like being in love, she says for the first time

Maybe I'm wrong but I'm feeling right

Where I belong with you tonight
Like being in love to feel for the first time

Like being in love, she says for the first time
Like being in love to feel for the first time
