Woke up in London yesterday  
Found myself in the city near Piccadilly  
Don't really know how I got here I got some pictures on  
my phone  
New names and numbers that I don't know, Address to  
places like Abbey Road  
Day turns to night, night turns to whatever we want  
We're young enough to say  
CHORUS  
Oh, this has gotta be the good life  
This has gotta be the good life  
This could really be a good life, good life  
I say, "Oh, got this feeling that you can't fight"  
Like this city is on fire tonight  
This could really be a good life, a good, good life  
To my friends in New York, I say hello  
My friends in L.A. they don't know  
Where I've been for the past few years or so  
Paris to China to Colorado  
Sometimes there's airplanes I can't jump out  
Sometimes there's so much that don't work now  
We are God of stories, but please tell me  
What there is to complain about?  
When you're happy like a fool, let it take you over  
When everything is out you gotta take it in  
CHORUS  
BRIDGE  
Hopelessly I feel like there might be something that I  
miss  
Hopelessly I feel like the window closes oh so quick  
Hopelessly I'm taking a mental picture of you now  
'Cause hopelessly The hope is we have so much to feel  
good about  
CHORUS  
To my friends in New York, I say hello  
My friends in L.A. they don't know where I've been for  
the past few years or so  
Paris to China to Colorado  
Sometimes there's airplanes I can't jump out  
Sometimes there's so much that don't work now  
We are God of stories but please tell me what there is  
to complain about?
