That's how much I love you, yeah  
That's how much I need you  
And I can't stand you  
Most everything you do makes me wanna smile  
Can I not like it for a while?

No, but you don't let me, oh  
You upset me, girl, and then you kiss my lips  
All of a sudden I forget that I was upset  
I can't remember what we did

But I hate it  
You know exactly what to do  
So then I can't stay mad at you  
For too long, that's wrong

But I hate it  
You know exactly what to say  
So that I don't wanna fuss and fight no more  
Said I despise that I adore you

And I hate how much I love you, boy  
And I can't stand how much I need you  
And I hate how much I love you, boy  
But I just can't let you go  
And I hate that I love you so

And you completely know  
The power that you have  
The only one that makes me laugh

Sad and it's not fair  
How you take advantage of the fact  
That I love you beyond the reason why  
And it just ain't right, oh

And I hate how much I love you, girl  
I can't stand how much I need you  
And I hate how much I love you, girl  
But I just can't let you go  
But I hate that I love you so

One of these days  
Maybe your magic won't affect me, no  
And your kiss won't make me weak, oh

But no one in this world knows me  
The way you know me, huh  
So you'll probably  
Always have a spell on me, yeah

That's how much I love you  
That's how much I need you  
That's how much I love you  
That's how much I need you  
And I hate that I love you so

Hate how much I love you, girl  
And I can't stand how much I need you  
And I hate how much I love you, girl  
But I just can't let you go  
And I hate that I love you so  
And I hate that I love you so, so
