In the night I hear them talk coldest story ever told  
Somewhere far along this road he lost his soul to a girl  
so heartless  
How could you be so heartless? Oh, how could you be  
so heartless?

How could you be so cold as the winter wind when it  
breeze, yo?  
Just remember that you talking to me though  
You need to watch the way you talking to me, yo

I mean after all the things that we been through  
I mean after all the things we got into  
Hey yo, I know some things that you ain't told me  
Hey yo, I did some things but that's the old me

And now you wanna give me back and you gon' show  
me  
So you walk around like you don't know me  
You got a new friend, well I got homies  
But in the end it's still so lonely

In the night I hear them talk coldest story ever told  
Somewhere far along this road he lost his soul to a girl  
so heartless  
How could you be so heartless? Oh, how could you be  
so heartless?

How could you be so Dr. Evil?  
You're bringing out a side of me that I don't know  
I decided that we weren't gonna speak so  
Why are we up 3 a.m. on the phone?

Why does she be so mad at me for?  
Homie, I don't know she's hot and cold  
I won't stop, I won't mess my groove up  
'Cause I already know how this thing go

You run and tell your friends that you're leavin' me  
They say that they don't see what you see in me  
You wait a couple months then you gone see  
You'll never find nobody better than me

In the night I hear them talk coldest story ever told  
Somewhere far along this road he lost his soul to a girl  
so heartless  
How could you be so heartless? Oh, how could you be  
so heartless?

Talkin', talkin', talkin', talk, baby let's just knock it off  
They don't know what we've been through  
They don't know 'bout me and you

So I got something new to see  
And you just gon' keep hatin' me  
And we just gon' be enemies

I know you can't believe I could just leave it wrong  
And you can't make it right  
I'm gonna take off tonight into the night

In the night I hear them talk coldest story ever told  
Somewhere far along this road he lost his soul to a girl  
so heartless  
How could you be so heartless? Oh, how could you be  
so heartless?
