Here comes the sun
Here comes the sun and I say, "It's all right"

Little darling, it's been a long cold lonely winter
Little darling, it feels like years since it's been here

Here comes the sun
Here comes the sun and I say, "It's all right"

Little darling, the smile's returning to the faces
Little darling, it seems like years since it's been here

Here comes the sun
Here comes the sun and I say, "It's all right"

Sun, sun, sun, here he comes
Sun, sun, sun, here he comes
Sun, sun, sun, here he comes
Sun, sun, sun, here he comes
Sun, sun, sun, here he comes

Little darling, I feel that ice is slowly melting
Little darling, it seems like years since it's been clear

Here comes the sun
Here comes the sun and I say, "It's all right"

Here comes the sun
Here comes the sun, it's all right, it's all right
